

Quick Start Guide

Accessing the Attendance Tool and Settings in Blackboard

Attendance

Accessing the Attendance Tool

1. Within your Blackboard course, navigate to the **Course Management** area, and click on Course Tools.
2. With the Course Tools section expanded, **click the link labeled Attendance**.

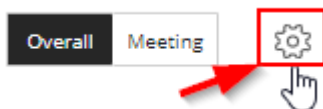

Pitfall Warning:

The Attendance tool in Blackboard courses is **inactive by default**, to use the attendance tool contact the CFC for questions when enabling Attendance in your course.

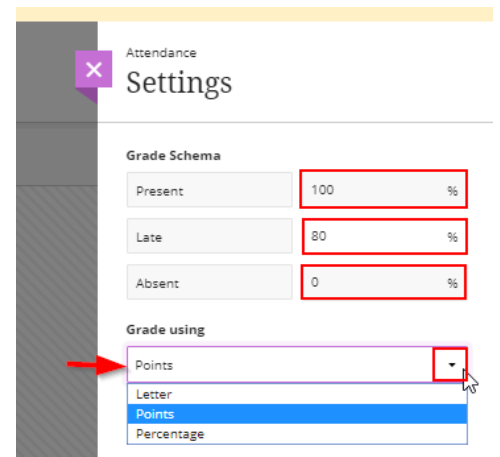

Attendance Settings

1. Click **Gear Icon** to access Attendance settings (*top right*).

2. Adjustments to Percentages for Present, Late and Absent can be adjusted here. Grading can be set to use Letters, Points or Percentages.

[Find additional information about the Blackboard Attendance feature here](#)

Pitfall Warning:

DO NOT copy attendance content into an existing course if an attendance column appears in the existing course you will add another attendance column to the course's Grade Center.
