

# Supportive Things to Say

to people who have experienced victimization

**Can I make any calls for you?**

**Are you safe?**

**I believe you.**

**What happened to you is not your fault.**

**I'm glad you called.**

**Would you like a referral for victim assistance?**

**I'm going to try my best to help you.**

**What can I do for you?**

**I'm sorry this happened.**
